Is there a way to access Hints while I am in the game?

Vicki Almond - 2009-05-13 - in Gameplay Questions

Is there a way to access *Hints* while I am in the game?

Hints can be accessed in the *Myst Options* panel. Tapping the *Hints* button will open the *Myst Hints* page. Tap the *Options* button in the upper left corner to return to the *Myst Options* panel.
